Legal Documents of NH

Mesmer & Deleault, PLLC is pleased to announce the launch of our new website: www.legaldocsnh.com. Linked to our existing website, Legal Documents of NH was established to help our clients easily purchase documents online. With life becoming more and more web-based, we saw the need to provide an internet service that would be convenient and cost-effective.

The website www.legaldocsnh.com offers an assortment of useful legal documents, available individually or as packages. You will see that the documents are divided into the following categories:

- Business
- Sale of Goods
- Human Resources
- Intellectual Property
- Loans and Collections
- Corporations and LLCs
- Personal Service Agreements
- Wills, Powers of Attorney, and Estate Planning
- Living Trusts
- Deeds
- Landlord Tenant
- Internet Law Forms - Putting Your Business on the Web
- Complaint Letters
- Miscellaneous Legal Documents

Purchase a document with three easy steps: (1) select the document you need; (2) complete an interactive form to fill out the required information; and (3) submit your answers for review by an attorney at Mesmer & Deleault, which is included in the cost of the document.

Through the website, you can also send legal documents for attorney review and buy legal advice phone calls, emails and court coaching for lower fee rates.

The site is new to us and we want to it be good for you. Visit the website and let us know your thoughts and suggestions. Receive a 20% discount if you buy documents by the end of the year using promotional code **md01** at the checkout.

This month we even went on Facebook. Anybody out there on Facebook? **Like** us on Facebook. Check us out there and at our new documents website. Hope you like both.

Happy Holidays!
